Course Description:

For non-native speakers of English who are international students. Emphasis on continuing improvement of reading comprehension of longer texts and expansion of vocabulary. Learn vocabulary skills, word forms, and parts of speech.

Course Goals:

Within the context of learning English as a second language, students will also be introduced to American academic culture.
NSCC General Education Learning Outcomes and/or Related Instructional Outcomes (for technical courses) Met by Course:

Level 3 R/V: 3. Discover, develop, and communicate one’s own creative and critical ideas in writing and to respond in effective writing to the spoken, written, and visual ideas of others.

Course Outcomes/Learning Objectives:

Students will be able to:

1. Demonstrate basic reading skills including recognizing key words, identifying main ideas and details, skimming and scanning, making inferences, and predicting meaning of new vocabulary based on context.
2. Recognize and appropriately use basic word forms.
3. Recognize fact vs. opinion.
4. Make predictions about a text.
5. Write timed short answers based on readings in class.
6. Use English/English dictionary (searching alphabetically; choosing from among multiple meanings of a given word and distinguishing correct pronunciation for words that are spelled the same but different parts of speech. For example, “desert” verb and noun are pronounced differently).
7. Access books and materials from library.

STUDY SKILLS:

1. Use basic classroom skills, such as copying from the board.
2. Follow simple written and oral directions.
3. Utilize basic study and group-work skills.
4. Take personal responsibility for learning the material, asking for repetition, and clarifying information.
5. Manage time efficiently (including attending class and arriving on time).
6. Organize study materials.

Topical Outline and/or Major Divisions:

1. Read a variety of genres (could include letters, articles, fiction, and non-fiction) to improve comprehension.
2. Practice vocabulary as covered in approved textbook.
3. Continue to practice with basic word forms and parts of speech.
4. Practice reading.

Course Requirements (Expectations of Students)

1. Daily and punctual attendance
2. Participation in class activities
3. Contribution to class and small group discussion
4. Completion of homework
5. Quizzes and exams
6. Library/Loft/Lab work as assigned.
7. Minimum 75% mastery of each subject

Methods of Assessment/Evaluation:

1. Quizzes
2. In-class work and assignments
3. Homework
4. Optional midterm and mandatory final exam
5. Attendance and participation
6. Final grades are assigned according to published grading standards for the course.

Required Text(s) and/or Materials:

Texts may be chosen from the list of approved IEP textbooks. This list is available from the IEP Faculty Coordinator. Other texts may be chosen, but only with prior approval of IEP Faculty Coordinator and other instructors.

Supplemental Text(s) and/or Materials:

As required by instructor.
