In accordance with RCW 43.41.180, I hereby authorize and request the college, until this authorization is revoked as described below, to transfer the full amount of my state salary, after mandatory and authorized deductions, to the designated financial institution for deposit in my account. My signature below attests to my knowledge that the Focus Card is Seattle College's default method for payment of wages.

In the event that the college may be legally obligated to withhold any additional part of my salary payment for any reason, I understand that the college shall have the authority to immediately terminate any transfer made under this authorization.

If the electronic transmission for this authorization for any reason will result in an overpayment of salary or wages actually due and payable to me, I hereby authorize the college to either process a reversing transaction that will result in sending the net pay amount back to the college, or seek full reimbursement of the overpayment by whatever means is appropriate.

If any action taken by me or my financial institution, without adequate notification to my college payroll office, result in non-acceptance of the transfer by the designated financial institution, I understand that the college assumes no responsibility for processing supplemental payroll payments until the funds are returned to the college by the financial institution.

This authority is in force until written notification is received from the employee regarding its termination, or death. This authorization will not be in effect for any payments made on or after separation from college services. Information regarding a non ACH payment option in the form of paper warrants can be obtained from college payroll personnel.
