Amazon

Google Polymer Clay Supplies and you will find more sites to purchase from.

**SUPPLIES**

Pasta Machine \$32 - \$63 - Instructor has two for use in class but you will have to share. Read this article about pasta machines if you are looking to buy one: <https://thebluebottletree.com/best-pasta-machine-polymer-clay/>

**\*MUST HAVE** - Premo! Sculpey Clay 2 oz blocks \$2.25 (Polymer Clay Express) in colors you like plus black, white & translucent; figure on using 3-5 blocks per class. **Instructor will have some clay for students to try/use but you must bring your own clay for the projects.**

**\*MUST HAVE** - Tissue Blade -- Michael's (\$6 for 1 flexible blade) or buy rigid wallpaper scraper blades at the hardware store (\$5-\$6 for 5) or get the \*Sculpey Bead Making Kit (see below)

Acrylic Roller made for polymer clay \$9 - or get the \*Sculpey Bead Making Kit (see below)

**\*Sculpey Bead Making Kit** - includes a roller, tissue blade, needle tool, sand paper, cookie cutter & more at Michael's for \$12 (<https://www.michaels.com/sculpey-bead-making-kit/10337242.html>)

**Optional but Useful -**

- Cookie Cutters -- check any of the above sources, get sizes and shapes you want for jewelry pieces.
- Texture Sheets – 1 or 2 you like, check any of the above sources. The unmounted rubber ones are nice. Think of the scale of your jewelry pieces when selecting textures.
- Plastic Stencils – 1 or 2, scaled for your jewelry pieces.
- Baby Wipes for cleaning up.
- Small Spritzer bottle
- Deli sheets for layering your rolled clay.
- 3 or 4 plastic bottles of craft paint in colors that you like (2 oz size) – Folk Art or other inexpensive brand/ \$1.99; can be metallic.
- Scotchbrite green scrub pad or sponge with pad attached
- An old credit card
