

Shoebox Studio: Jewelry Basics

Student Tools & Supplies List

Instructor: Julia Lowther

\$45 is due to the instructor on the first day of class for your materials kit.

Please **ALSO** bring with you to class:

- Wet/dry sandpaper - 2 sheets each grit: 220, 320, 400, 600 (dark gray ones used for metal finishing)
- Small CHEAP paintbrush with natural bristles (size #4 (3/32") or smaller)
- Fine point tweezers (4"- 5" long is a good size - "AA" pattern is perfect)
- 3 small containers for solder chips - (ex: multi-day pill box, buddy cups, screw-together bead jars, etc.)
- Cotton apron
- 1-2 old small hand/dish towels
- Pencil
- Fine point "Sharpie" marker
- Scotch brand Magic Tape
- Scissors
- Notebook or sketchbook
- Reading glasses, if you need a little help to see clearly 8" from your nose.

Please wear cotton clothing and closed toed leather shoes as we work with hot metal.

Most items on this list are readily available at hardware, office supply, or drug stores.

Sandpaper – Small local hardware stores like Ace and Hardwick's usually sell wet/dry sandpaper in individual sheets (rather than packs).

Fine point tweezers – are needed for precise placement of solder chips during soldering. You can buy inexpensive ones (~\$3.00) locally at both Hardwick's (they have brass ones) and Seattle Findings & Supply (stainless steel). Reputable online suppliers include Rio Grande and Otto Frei. All addresses/links below.

Hardwick & Sons

4214 Roosevelt Way NE
Seattle, WA 98105
(206) 632-1203
M-F 8am-6pm
Sat. 9am-6pm
